

Datasheet

Falcon LED Lamps

The Falcon LED lamps are a high quality range of LED lamps high Lumen per Watt outputs. These lamps come as standard with opal covers and are available in a range of different sizes with different bases to suit different needs. They are available in GLS, Candle and GU10

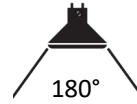

Efficiency - 105
Lumen per Watt

GLS A60 and A80 LED Lamps

Instant Start

Efficient design for minimum heat

Aluminium + Plastic Heat Sink

Code	Watt	Cap	Lumen Output	CCT Colour	Size	Weight	Power Factor
LF9BC	9W	B22—BC	840	3000K	A60		>0.5
LF9ES	9W	E27—ES	840	3000K	A60		>0.5
LF15BC	15W	B22—BC	1521	3000K	A60		>0.7
LF15ES	15W	E27—ES	1521	3000K	A60		>0.7
LF20BC	20W	B22—BC	2100	4000K	A80		>0.7
LF20ES	20W	E27—ES	2100	4000K	A80		>0.7

- 220—240V, 50Hz
- PF>0.7
- RA -
- Beam Angle - 180°
- Instant Start
- Rated 15,000 hours
- Rated 15,000 cycles
- 2 Year Warranty
- CE Certified
- RoHS Compliant
- -20 to + 40° Operating Temperature

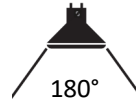

Efficiency - 85
Lumen per Watt

C35 Candle LED Lamps

Instant Start

Efficient design for minimum heat

Aluminium + Plastic Heat Sink

Code	Watt	Cap	Lumen Output	CCT Colour	Size	Weight
LFC8BC	6W	B22—BC	510	3000K	C35	
LFC6ES	6W	E27—ES	510	3000K	C35	
LFC6SES	6W	E14—SES	510	3000K	C35	

- 220—240V, 50Hz
- PF>0.7

- Rated 15,000 hours
- Rated 15,000 cycles
- 2 Year Warranty
- CE Certified
- RoHS Compliant
- -20 to + 40° Operating Temperature

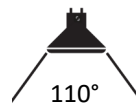

GU10 LED Lamps

Instant Start

Efficient design for minimum heat

Aluminium + Plastic Heat Sink

Efficiency - 100
Lumen per Watt

Code	Watt	Lumen Output	CCT Colour	Size	Weight
LF5GU10	5W	500	3000K	GU10	

- 220—240V, 50Hz
- PF>0.7
- RA -
- Beam Angle - 180°
- Instant Start
- Rated 15,000 hours
- Rated 15,000 cycles
- 2 Year Warranty
