

### Lancaster Premium Insulating Tape

Thickness	0.18mm
Width	19mm
Length	20 M
Breaking Load	43N/19mm
Elongation	190%
Adhesion Steel	1.5N/cm
Adhesion Self	1.3N/cm
Breakdown Voltage	7KV
1 Min Proof Test	7KV
Insulation Resistance	1010 Ohms
Usage Temperature	-10°C to +80°C
Application Temperature	0°C to +40°C
Storage Temperature	12°C to +25°C

- Flame Retardant
- Self Extinguishing
- Water Resistant
- UV Resistant
- Non Corrosive
- Lead Free
- Cross Linked solvent based rubber resin adhesive

Produced to EN60464

Warranty 2 years
