

MEETING YOUR ELECTRICAL NEEDS FOR GENERATIONS

## Slim CCT LED Panels – 5 Year Guarantee

Brand:	Tezla
Chip Type:	SMT
Voltage:	200 ~ 240V
Frequency:	50 – 60Hz
Temperature Range:	-20° ~ +40°
Thickness:	10mm
IP Rating:	IP20
Beam Angle:	110°
CRI:	≥80
Power Factor:	>0.95
Life Span:	50,000 Hours
Certification:	CE, RoHS
Guarantee:	5 Years

## Specification Options:

Reference	PNL66LED/CCT
Size:	600*600
Wattage:	36W
Lumen Output (±200):	3400 Lumen
Efficiency	95.7 lm/W
Dimmable	Yes*
Colour Temperature:	3000/4000/5000K

\* With Dimmable Driver supplied separately

- Colour can be changed using CCT Switch
- Even shadow free light distribution
- F rated for use on normal flammable surfaces
- Surface & Suspension kits available on request
